Fax this Request to:  
309-672-4164

Items supplied are intended to be used solely for specimens sent to UnityPoint Health Methodist Reference Laboratory. The number of items provided will be monitored to ensure they correlate with the number of tests sent to the lab for processing. Supplies distributed are sometimes limited to stock on hand and may be reduced or substituted.

Please note: Supply request may take 5-7 business days to be fulfilled. Fax this request to 309-672-4164. For supply questions, please contact Customer Service at 309-672-4911 or email Arnold Jordan (AJ) at arnold.jordan@unitypoint.org.

Only sites in the above drop down can order COVID testing kits directly from UPH Methodist Reference Lab
