

06/27/2022

To: All UnityPoint Health Central Illinois Laboratory Clients and Providers

From: UnityPoint Health Central Illinois Laboratories

IMPORTANT NOTICE: New Serum Immunotyping Ordering

Due to new instrumentation and testing methodology, serum Immunotyping is now replacing the Immunofixation order. Immunotyping is designed for the qualitative detection and the characterization of monoclonal proteins in serum.

New Replacement Test Ordering Info:

Test Name	Epic Lab#	Sunquest Code	Test Directory Link
Immunotyping, Serum	LAB3319	IMTYP	More Info

Discontinued Test Info:

Test Name	Epic Lab#	Sunquest Code
Immunofixation Electrophoresis, Serum	LAB174	IFE

Please order **IMTYP (LAB3319)** in place of the old order IFE (LAB174). LAB174 is no longer available in EPIC. This order is now “a lab order only test” to be utilized by the electrophoresis department, as needed.

Please contact our Laboratory Customer Service team at 309-672-4911 if you have any questions.
